the best way to avoid online scams. Unfortunately, cybercrime remains a lucrative business, and the lack of international laws makes it very hard to prosecute cyber criminals in foreign countries. **We need to play a good defensive game, so please keep your cyber shield up by visiting [RWU's cyber training portal](#) and complete any outstanding modules.**

Sincerely,
IT Management

Don't take the bait! IT will never ask you for your username and password via email. Phishing e-mails attempt to deceive you into giving up private information in a response to a message or by leading you to a fraudulent web site.
