

## Students and the EPC

More students each year are seeking internships before graduation, whether as a summer job or as part of their curriculum for credit. You can begin to gain credit in IDP after the third year in a NAAB-accredited program or pre-professional program accepted for direct entry to an NAAB-accredited profess-accredited pr 10.9 433.07744 56.37145(y to an)
